how to install ariz quiz paid version

Posted by Samuel - 2020/06/10 21:40

_____

Please how do I install the paid version while still retaining the Ariz quiz lite version? or how do I successfully migrate from the free version to the paid one with all my data intact?

_____

Hello,

It seems some data are corrupted in DB. Could you provide a temporary access to your J! backend by email so we can investigate the problem in more details and provide a solution?

Regards,
ARI Soft
