Call to undefined method error
Posted by sgraypgh - 2020/08/08 16:44

_____

Getting the attached error on completion of a quiz. The url is:

https://SITE SPECIFIC/Results-b1aaed381dd94c323daaf30f66a98ccc

Any assistance resolving this would be most appreciated. http://www.ari-soft.com/images/fbfiles/images/ARI_Quiz_Error.jpg
