Pre-Quiz Limitation for different ACL Posted by blues - 2020/12/13 01:52
Hi Team,
can we setthe pre-quiz limitation disable for some managers and only make it working for customers?
Re:Pre-Quiz Limitation for different ACL Posted by admin - 2020/12/13 13:35
Hello,
The extension doesn't support ability to limit access for particular users, it is possible only for user groups.

Re:Pre-Quiz Limitation for different ACL Posted by blues - 2020/12/21 01:13
Do you mean it can support some user groups to access those quizes with pre-quiz (and not taken those prequiz)? how to configure this?
thanks

Hello,
See "Access" parameter on "Access & Security" tab on quiz settings page. Only users who has to the selected access level will have access to the quiz.

Re:Pre-Quiz Limitation for different ACL Posted by blues - 2020/12/21 11:03
It doesn't answer the question, let me give an example: I am the administrator, I have created quiz-B and quiz-A, here quiz-A is the pre-quiz of quiz-B. I hope I can access quiz-B directly as an administrator without finished quiz-A.
Can I do that?
Re:Pre-Quiz Limitation for different ACL Posted by admin - 2020/12/21 11:15
No, it is not possible.
