
Mathematica Equation in Multiple choice options

Posted by rajaw91@gmail.com - 2021/04/07 13:19

Hello Sir,

I want to make a mathematical quiz for my website, and use mathematical equations in multiple-choice options, is it possible? please assist me in how to use mathematical equations in multiple-choice options in any questions.

A Sample Mathematical Equation is attached, please

Thanks a lot http://www.ari-soft.com/images/fbfiles/images/Mathematical_Equation_Sample.jpg

Hello,

A sample math quiz is available here. It uses "ARI Quiz MathJAX" plugin which helps ability to use LaTeX equations. Read here how to use it.

Hello sir,

Thank you for your reply, I've edited my equations according to your instructions as LaTeX equations and it was working fine but after some time it's not working now, please assist me how to resolve it? screenshots are attached here.

Thanks
Regard
