How to order the quiz by day?

For Example: I have some quizzes with name like below:

Test 1
Test 2
Test 3
Test 4
Test 5
Test 6
Test 7
Test 8
Test 9
Test 10.....

But the ari quiz doesn't show like that. It shows as below:

Test 1
Test 10 :dry:
Test 3
Test 4
Test 5
Test 6
Test 7
Test 8
Test 9

Test 10 goes after Test 1

How to order Test 10 goes after Test 9 and so on?

Hello,

Currently it's impossible, temporary solution use letter like 'A', 'B', 'C' and etc. before quiz name, but you can submit feature request here and we'll implement this feature in a future release.
