
problem in show

Posted by habib - 2008/07/22 07:28

Hello, thank for your help

when I wanna see quiz/question in site,I face to error: " Selected Quiz not available, contact with Administrator "
plz guide me...

Hello,

There couple of variants:

1. You have set up the access level that does not suit for current user.
2. You have created quiz and did not add the questions in it.

If none of these variants is true for you please give us access to your Joomla! system so we could log in and have a look.
Please send the credentials via email in this case.

Regards,
ARI Soft
