Nothing in the Results Page after quiz..

Posted by Traumatiz - 2010/11/19 00:01

_____

After quiz complete I have a white space in the page whitout any results..

My website is www.flyxfun.it

_____

Hello,

It seems "Text Templates -> Successful Template" and "Text Templates -> Failed Template" parameters haven't set in quiz settings.

Regards,
ARI Soft
