Showing null with Answer choices in IE

Posted by heenakp - 2010/12/06 08:00

_____

Hi ,

We are having problem with IE browser. Null is being displayed with every answer choices . For example

null 1) answer choice1
null 2) answer choice2
null 3) answer choice3
null 4) answer choice4

How to remove this "null" ?

Can anybody help us soon please!!

thanks

_____

Hello,

Provide your license key and order number by email, please, and temporary access to Joomla! backend that we can investigate this issue. We can't reproduce this problem on our test server and nobody of our customers has ever reported about this issue.

Regards,
ARI Soft
