Mathematical Symbols in Options
Posted by bijumk - 2010/12/10 19:11

_____

Hello

Please let me know how can I insert mathematical symbols to the option answers in the quiz. I can do it in the question. How can I insert it into the options so that I can provide mathematical formulae and Physics/Chemistry equations in the options ?

_____

Hello,

Sorry, but currently the component doesn't provide this ability. You can submit feature request here and we'll add this possibility into a future release.

Regards,
ARI Soft
