
Videos and Audio Dosn\'t work!

Posted by moataz - 2010/12/12 22:07

I install all video plugin and try to make quiz with video question but the system dosen't enable videos or audio

Please help <http://www.ari-soft.com/images/fbfiles/images/Quiz.png> <http://www.ari-soft.com/images/fbfiles/images/Quiz.png>

Hello,

Could you provide link to page where we can see this problem and temporary access to your Joomla! backend by email that we can investigate it?

Regards,
ARI Soft
