Show category

Posted by gam - 2012/02/21 14:15

_____

Hi!

I'd like to know if is there any way to show the article category.

Thank you very much!

Gina.

_____

Hello,

Download and upgrade "ARI Paginator" module please. New version supports {$category_title} predefined variable. It will be replaced with article's category title.

Regards,
ARI Soft

_____

Hi!

I bought AriPaginator last night, it should be the last version, right?

Thanks again!

Gina.
