i just bought Ari Data Tables
Posted by ngkarsin - 2011/05/13 09:41

_____

can you teach me how to embed into an article??? I tried writing
{aridatatables module = "60"} in the article code, but it does not show, it show the entire line of code, help

_____

Hello,

Check that "Content - ARI Data Tables" plugin is installed and enabled, "ARI Data Tables" module with ID equals to 60 is enabled and use the next code in an article:

{aridatatables moduleId="60"}{/aridatatables}

Regards,
ARI Soft

_____

how about printing, can this module export to excel file, or print function

_____

No, the module doesn't support these abilities.

Regards,
ARI Soft
