
Really confused

Posted by alisamii - 2011/08/06 04:39

Hi:

I am really confused about how to set up a table. :X

Do you have a chat facility where I can chat with you to get support?

I really would appreciate it. B)

Thank you.

Ali

Hello,

Could you explain what do you want to achieve?

PS: Sorry, but we provide support only via forum and by email.

Regards,
ARI Soft
