\"Info empty label\" not changing

Posted by stator - 2012/02/18 00:41

_____

Hello guys,

When I tried to change "Info empty label" from the default "Showing 0 to 0 of 0 entries" to my own customized phrase, nothing changed. However other labels as "Zero records label", "Info label", "Info filtered label" & "Search label" changed as I desired.

_____

Hello,

Download and upgrade "ARI Data Tables" module. It should help.

Regards,
ARI Soft

_____

Each time I go to member area it said to me:
Your order is in pending status ???
