Hi,

I check other post and i put on the setting from <http://www.ari-soft.com/ARI-Data-Tables/31182-ARI-Data-Tables-No-data-available.html>. The extension is enabled. Still not working....any cue?

testing page: <http://jesms.net/Meritest2/index.php/2012-05-05-09-36-04/capacitors>

joomla version 2.5

Module Enabled:

ARI Data Tables

Content - ARI Data Tables

System - ARI AJAX Dispatcher

System - ARI Extensions <http://www.ari-soft.com/images/fbfiles/images/ddd.JPG> <http://www.ari-soft.com/images/fbfiles/files/t.zip>

Hello,

<http://jesms.net/Meritest2/data/t.csv> CSV file doesn't exist.

Regards,

ARI Soft
