
[SOLVED] Demo of themes

Posted by JugglingReferee - 2012/10/27 11:15

Is this link working for you?

<http://www.demo2.ari-soft.com/joomla-data-tables.html>

I cannot see the examples of the various themes.

Hello,

Thank you for your report. We have fixed switching theme feature and it should work fine.

Regards,
