No images on sub menu item

Posted by adoewa - 2012/10/28 18:55

_____

Hi,

When i make a direct menu to a page with the data tables it works prefect.

But when in a sub menu item it went wrong.

www.adoewa.com/ON7RK

Menu test is OK
Menu QSO Statistics/WA Belgian Provinces , no images.

Greetz,
Ken

_____

Hello,

This problem with Joomla! SEF. Contact us by email and we will send the plugin which can fix this problem.

Regards,
ARI Soft
