Export, Print and Search Bar
Posted by dee342 - 2014/06/04 16:55

_____

These buttons were showing a couple of days ago. Also, my table had sort bars on top. I'm not sure how I turned them off but now my table is showing a flat file. How do I turn them back on?

Do you have more detailed documentation so I don't have to keep bugging everyone? Thanks.

_____

Hello,

It is shown fine for us:
