
Custom pageing list

Posted by spitfire - 2015/04/25 10:07

I can only show up to 100 ... can I have 500 and All ?

Hello,

Use "Choose table type -> ARI Data Table -> Custom paging" parameter. For example set "Custom paging" parameter to the following value:

1,5,50,100,500,1000

Regards,
ARI Soft
