## ARI TABLE and images

Posted by eric258 - 2015/09/19 19:13

---

As you can see on the image, i am using ari table i ld like to know if there is a possibility to have the members flags next to them?

<http://www.chessbook.net/images/aritable.png>

Hello,

It is possible if flag images based on country names (for example Venezuela.jpg, Cyprus.jpg and etc.) are stored on your site.

Regards,  
ARI Soft
