Sorting Date

Posted by she - 2015/09/23 11:38

_____

Hey,

when sorting my Table by Date, it sorts by the first Number of the date(Day).
I want to sort it by the Date, added Column settings but still no result.

I get my Data from an CSV File. The CSV Data gets written by an CMD-TOOL converting a Datetime into an string.
Hope you can help me solve this :)

Regards,

She

_____

Hello,

Could you send a link to a page with the table?

Regards,
ARI Soft

_____

Set "Choose table type -> ARI Data Table -> Columns settings -> Column index" parameter to 1 value and "Choose table type -> ARI Data Table -> Columns settings -> Sorting type" parameter to "Date (dd/mm/YYYY)".

Regards,
ARI Soft

_____

Thx, I tought your index is starting with 1, not 0

this solved my Problem!
