
translate labels datatable

Posted by leen.sonneveld - 2015/10/20 19:05

How can i translate the labels of the ari datatable, like: First, Previous, Last, Search, Showing, Entries,etc.?
I am using version 1.15.3 / J3.4.4

=====

Hello,

All language labels were moved to language file:

/language/en-GB/en-GB.mod_aridatatables.sys.ini

Regards,
ARI Soft
