Table Appearance
Posted by taoh - 2017/04/27 14:37

_____

Hi

I've set border to 1 but now I need to change the colour of the borders whats the CSS for the border colours in the table please?

Cheers
Niall

_____

Hello,

Is it possible to see the table?

Regards,
ARI Soft

_____

Hi
Tabele is at table.dataTable TH {font-size:14px; font-weight: bold;}table.dataTable TD {font-size:12px;}
table.dahttp://www.test.anesfhs.org.uk/useful-links/articles/innes-test-1 it currently has
table.dataTable TH {font-size:14px; font-weight: bold;}table.dataTable TD {font-size:12px;}
table.dataTable tbody th, table.dataTable tbody td {
    padding: 1px 4px;
}
in CSS styles.
I would like the dark borders to be the same colour as the row lines

Cheers
Niall

_____

Try to add the following CSS rule to "CSS Styles" parameter in module settings:

TABLE.dataTable {border-color:#ddd}
