Dear all,

first of all thanks a lot for your previous help.

I would like to insert, in every page, inside the list of record, at last line,
a fixed line with a link only.

Is it possibile? how coul I do instead?

I attach a file to explain better. <http://www.ari-soft.com/images/fbfiles/files/insertline.doc>

Hello,

Sorry, but the extension doesn't support this ability.
