
change search title

Posted by ananias - 2018/04/20 17:45

Hi i install the module "Ari Data Tables" in this site:

<http://www.diaviou-teiste.gr/index.php/forma>

and i want to change the "Search:" title.

How i make this?

Thanks!

Hello,

See `/language/en-GB/en-GB.mod_aridatatables.sys.ini` language file.

Regards,
ARI Soft
