
Data not sortable

Posted by millersam - 2018/05/28 07:50

Hi,
I guess since the Joomla Update to 3.8.8 the tables are not sortable anymore....
Is there any update?
Thank you.
Sam

Hello,

Is it possible to see the problem anywhere? We guess it is a javascript conflict with a 3rd party extension.

Regards,
ARI Soft
