
background color of Excel button

Posted by medeino - 2019/06/19 10:08

good morning,

I want to change background color of Excel button (or pdf button) situated on top left of Ari Data Tables representation (see alleged):
may you explain how to do?

Thanks a lot https://www.ari-soft.com/images/fbfiles/images/how_to_color_excel.png

Hello,

Could you provide a link to a page with the table? It seems site template or 3rd party extension styles affect on button styles.

Regards,

these are the instructions used:

```
{ $id } THEAD TR TH DIV
{
  font-size: 15px;
  height: 20px;
  line-height: 20px;
  background-color: rgb(0, 172, 230) !important;
}
```

```
{ $id } TBODY TR TD
{
  height: 25px;
  font-size: 14px;
}
```

We mean site template, not table theme. The provided styles are not affected on button. Could you provide a link to a page with the table? You can send it by e-mail.

Could you do it on a test with fake data so we can investigate the problem?
