ARI Data Tables .csv capabilities
Posted by td_6778 - 2010/08/23 21:14

_____

Does the ARI Data Tables only provide the capability of displaying ONE .csv file?

_____

Hello,

You can create as many instances of 'ARI Data Tables' module as you want. For this open 'Extensions -> Module Manager' page and use 'New' or 'Copy' button.

Regards,
ARI Soft
