
ARI Datables not yet found by Google

Posted by HILLEN - 2021/02/15 13:05

Dear all,

In 2017 I bought ARI Datatables.

Could you help me for making content of Datatable findable by Google?

<http://www.benhillen.nl/index.php/bladmuziek>

Best regards,

Ben Hillen

Hello,

The table loads data dynamically via AJAX. Google can handle dynamic content, but with some limitations.

Regards,
ARI Soft
