
stop slide loop after all images shown

Posted by marlice - 2011/05/22 14:29

hello,

nice image slider. i like it very much. there is one question for me: is it possible to stop the image slider, if all images in a stack was shown? i want to show only 2 images and after that the slider should stop on the last image. can i change it somewhere?

thanks for any help :)

cheers

Hello,

The slider doesn't in this way. It show images in unlimited way.
