Change text

Posted by qcv - 2011/06/11 20:11

_____

Hello,

I purchased a template using the Image Slider. I need to change the text. I went to the template gallery in the web root directory and edited the text in the ariimageslider.ini file, however; it remains the same of my website. Can someone please help?

Thanks.

_____

Hello,

Sorry, we can't open provided link because it requires credentials.

Regards,
ARI Soft

_____

Edit /images/stories/gallery/ariimageslider.ini file.

Regards,
ARI Soft
