# 2 images are visable in the same time

Posted by migland - 2011/09/12 13:13

_____

hi
I try ARI image slider and it seems very reach in different options. I have instal it on www.migland.pl/nielba on the left
site. I see 2 images (1 over secend) becouse my images are in different size (logo of sponsors). Secend think will be
beautifull have possibillity to move navigation bar to the top of modul. http://www.ari-
soft.com/images/fbfiles/images/ari_slider-8b7da39c7c74571290eae4e886fd44d0.jpg

_____

Hello,

The extension works correctly with images which have the same size.

Regards,
ARI Soft

_____

You can modify images manually and fill it with white background for example that they have the same size.
