
position problem on ie7

Posted by aymen49 - 2011/09/16 08:01

hello,

thank you for this great module, but as you can read on the topic, i have a problem with it's position in ie7, here is a link to the website, <http://www.ayman.benhamida.com/alrashad/> i think it's a css problem, i tried a few diffrent things but nothing works, help plz!

Hello,

Sorry, but provided page doesn't contain "ARI Image Slider" extension.

Regards,
ARI Soft

This problem with site template styles. Try to add the next CSS rule:

```
BODY #slideshow
{
  position: absolute;
  left: 383px;
}
```
