
Images don't appear

Posted by tsaimsbond - 2011/11/29 21:23

Hi, everyone!!

I use the free version of "ARI Image Slider".

It's my first website using joomla and i wanted to test this slider.

But this problem occurs. Images doesn't appear on slider.

I would appreciate any help... :(

Hello,

Could you provide temporary access to your Joomla! backend by email so we can investigate described problem?

Regards,

ARI Soft

Try now please. Incorrect path for "Image path" parameter was used.

Regards,

ARI Soft
