
ARI Image Slider 1.7 Download

Posted by DawnB - 2011/12/13 02:51

I probably just missed this, but I didn't see a download link for version 1.7 for the Image Slider, can you someone direct me please!

Thanks so much!

Hello,

"ARI Image Slider" is compatible with Joomla! 1.5, 1.6 and 1.7. It uses the same installation package. The module can be downloaded [here](#).
