Hi  
I must be blind but I can't see how to add the Image Slider for Joomla 2.5 to my Cart.

Hello,  
  
Do you want to buy "ARI Slider" or "ARI Image Slider"? "ARI Image Slider" is a free extension.

I want the Ari Image Slider - having read the excellent reviews.  
The free download at the foot of the page indicates it is for Joomla 1.5 only?
