
Error IE 8: jsn_utils.js and mootools-core.js

Posted by monolex - 2012/12/03 22:22

Hi i used ARI IMAGE SLIDER in my web page, in Firefox it is OK, but in Internet Explorer 8 i receive and alert in the bottom explorer when you open you see:

Object doesn't support this property or method
jsn_utils.js and

Object doesn't support this property or method
mootools-core.js

If i activate module ARI IMAGE SLIDER i see the error.
Can you help me,

Thanks.

Hello,

This is a problem with site template scripts. It also occurs even if disable "ARI Image Slider" module.

Regards,
ARI Soft
