## Endless auto scrolling - works always

Posted by janek13 - 2012/12/13 10:50

---

Dears,  
I like the simple, but powerful module.

unfortunately one of the features doesn't work: "Endless auto scrolling" works in the both cases: "Yes" or "No". I need "No".

I have the latest version of the module, on J2.5 / Beez20.

thank you for help

Jan

Hello,

Download and upgrade the module. After this clean browser's cache.

Regards,  
ARI Soft
