Disable single image header of sliding

Posted by k2bmedia - 2013/02/18 15:31

_____

Hi, I have different headers on each menu item.

Some of the pages consist of only one image.

How can I disable the slide effect?

_____

Hello,

Do you really mean "ARI Image Slider" module?

Regards,
ARI Soft

_____

Yes, I have headers using ARI Image Slider version 2.0.5

_____

"ARI Image Slider" is image slider and it is not used to show a static image.
