
Description fade in\\fade out

Posted by Simon900 - 2013/03/03 22:23

Hello!

Can I make the description box to fade in and fade out when slide?

Like on demo: <http://www.demo2.ari-soft.com/joomla-image-slider.html>

Hello,

Latest versions of the extension don't support this ability.

Regards,
ARI Soft
