
Image Slider edges

Posted by tangryuno - 2014/01/18 09:57

Hi,
The Ari Image Slider is very beautiful but I can't remove the edges around my images...how I can remove it?

thanks
stefano

Hello,

Where we can see the problem?

Regards,
ARI Soft

Hi,
the problem is here <http://tavolinomono.com/en/>

I would also know how remove the shadow

You can read how to remove shadow here.

About edges, send a screenshot where we can see it.

Regards,
ARI Soft

here the screenshot.
I try the code for shadows... http://www.ari-soft.com/images/fbfiles/images/Schermata_del_2014_01_18_15_43_11.png
