
HWD Compatibility

Posted by theseedsower - 2014/02/17 20:43

Is it possible to make the Ari Image Slider compatible with HWD Mediashare?

I want to load images rom and HWD category in my Ari Slider

http://protest.thenag.us/index.php?option=com_hwdmediashare&view=group&id=28%3Ahurb-the-hurbz&Itemid=2827

=====

Hello,

"ARI Image Slider" shows images from select folder(s). It doesn't support ability to show images from another sources.

Regards,
ARI Soft
