Expand Shadow on left & right Posted by thanhhailaw - 2014/12/22 10:24 Hello I has re-size the image width as 950 (nature_01.jpg)and would like to expand the shadow full left and right (nature_01.jpg). could you let me know how? many thanks http://www.ari-soft.com/images/fbfiles/images/nature_01.jpg Re:Expand Shadow on left & right Posted by admin - 2014/12/22 10:52 Hello,

Send a link to a page with the slider and an image where we can see what you want to achieve.

Regards, ARI Soft
