adding pause / resume button to ari-imageslider
Posted by benshaty - 2015/05/26 09:55

_____

hi,
first of all thanks for the excellent component.
i want to add pause / resume animation button.
is it possible?
thanks in advance.

_____

Hello,

It requires modification of the extension.

Regards,
ARI Soft

_____

Modification of the extension is out of a free support. We can add this feature for free to Nivo Slider addon from "ARI Smart Content" extension.

Regards,
ARI Soft
