
ARI Image Slider shows black on 3 sides of image.

Posted by johnzapf - 2016/02/18 04:04

ARI Image Slider shows black on 3 sides of image. See picture, how do I fix? <http://www.ari-soft.com/images/fbfiles/images/Capture-b913df4c3b2963b70fb17ece9065d95a.JPG>

Hello,

Send a link to a page where the problem occurs. It can be a problem with site template styles.

Regards,
ARI Soft

This problem with site template styles. Add the following CSS rule to "CSS Styles" parameter in module settings:

`DIV.ari-image-slider IMG {margin:0;}`

Regards,
ARI Soft
