
I can not upgrade to 3.6.0 joomla

Posted by saf - 2016/07/31 09:38

When I upgrade joomla to 3.6.0 . I get the following error:

(!) Fatal error: Using \$this when not in object context in C:\wamp\www\tuvozdigital\libraries\joomla\filter\input.php on line 141

could you help me fix it , it seems that is a problem of the news module

Thanks a lot

Hello,

Install the latest version of the module (2.2.1).

Regards,
ARI Soft
