Recommend change to class.ImageSlider.php

Posted by wmuckell - 2010/12/14 14:50

_____

Can I recommend you make the following change to class.ImageSlider.php on line 77

$doc->addScript('http://ajax.googleapis.com/ajax/libs/jquery/1.4.3/jquery.js');

there is a conflict otherwise with other jquery product using a later version.

_____

Hello,

We have updated the module. New version provides ability to choose what jQuery version will be used by extension. Download and upgrade the module please.

Regards,
ARI Soft
