
Failed to save the result of the image

Posted by Stam - 2011/01/15 15:59

Hi,

I get an error of the plugin:

Warning: Failed to save the result of the image operations in
mydomain.com/mod_aricloudcarousel/mod_aricloudcarousel/kernel/Image/Asido/class.image.php on line 283

The Images do not show up

Cheers.

S.

PS.

Joomla 1.5.22

Hello,

Provide link to page where we can see this issue and temporary access to your Joomla! backend by email that we can investigate this issue.

Regards,

ARI Soft
