Position of Title and Description

Posted by Marcel99 - 2011/03/10 16:51

_____

Hi

I have managed to change the position of title and description by using the following code

DIV{$id}_wrapper DIV.ari-cloud-carousel-caption
{
  top: 100%;
  margin: -35px auto 0;
  width: 100%;
}

DIV{$id}_wrapper DIV.ari-cloud-carousel-caption .ari-cloud-carousel-title,
DIV{$id}_wrapper DIV.ari-cloud-carousel-caption .ari-cloud-carousel-title
{
  text-align: center;
}

Unfortunately, the description is shown in the left but I would like to have it also centered.

Could you please help?

Many thanks in advance

Kind regards
Marcel

_____

Hello,

Provide link to page please where we can see this issue. It can be a conflict with site template styles.

Regards,
ARI Soft

_____

Hi

That was fast.

You may see the effect on the following page

http://www.einfach-gewicht-abnehmen.de/

Kind regards
Marcel

_____

Use the next CSS rule:

```
DIV{$id}_wrapper DIV.ari-cloud-carousel-caption .ari-cloud-carousel-title,
DIV{$id}_wrapper DIV.ari-cloud-carousel-caption .ari-cloud-carousel-alt
{
text-align: center;
}
```

instead of:

```
DIV{$id}_wrapper DIV.ari-cloud-carousel-caption .ari-cloud-carousel-title,
DIV{$id}_wrapper DIV.ari-cloud-carousel-caption .ari-cloud-carousel-title
{
text-align: center;
}
```

Regards,
ARI Soft

_____

Hi

Many thanks for the very fast reply. I've changed the code and it all works!

Kind regards
Marcel :)
