## same Cloud Carouse in different Articles

Posted by droth - 2011/09/23 12:36

---

Hallo,

I am using

```
{loadposition carousel1}
```

to insert the Module in two articles.

In one of them it works right in the other the pictures are not shown.

What can I do?

Thanks for your help!

Hello,

Provide the link to the page where we can see the problem and if it is possible, temporary access to your J! backend by email.
